

Before school starts, it's great if I know...

- ◆ I should raise my hand when I want to talk and remember to wait my turn.

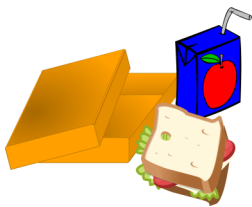

- ◆ To ask when I want to give hugs to check that it is okay.
- ◆ That kisses are for my family.

- ◆ A teacher will help me if I need help. When I am upset, I can talk to my teacher.

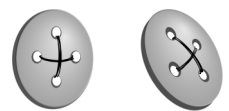

- ◆ I should ask the teacher when I need the washroom.
- ◆ That hands are for helping and not for hurting.

- ◆ How to open all my lunch box stuff like containers, water bottles and food wrappers
- ◆ How to choose healthy snacks and lunches.

- ◆ My parents name and a contact phone number.

- ◆ How to dress myself (zippers, buttons, snaps, laces, Velcro and winter clothes).

- ◆ How to recognize my name when it is printed and have my name on my belongings.

- ◆ How to use good manners.

- ◆ What the plans are for after school, so I don't have to worry about that.
