

What do I need to know?

There may be a short bus ride provided by the School Board as part of the program and this will require your permission. (See Registration form link on Transition to School website page)

We would like to take pictures of the children in the program that may be use for promotional purposes. We will require your permission. (See Registration form link on Transition to School website page)

Transportation and pickup

Parents will be responsible for the transportation of their child to and from the school. Ensure that we have all the names of persons able to pickup your child. Your child will only be released to those on our list.

How can I get more information?

- Lunenburg County call: 543-1301
- Queens County call: 354-7176
- Shelburne County call: 875-3256

How do I register my child?

Simply fill out the registration form included with this brochure and return it to your school by mid June. Should you miss the mid June deadline you may still register (See the registration form, for your County, to review the options.)

How can I help?

Parent involvement is an important part of your child's education. We ask each parent, who is able, to be a volunteer helper for a day or part of a day during the program. An information sheet on "how to do that" is included with this package.

What will my child need?

Your child will need to bring a lunch for noon, a bottle of water, inside sneakers and appropriate clothing for the weather. Label your child's belongings. Please apply sunscreen for your child, prior to leaving home.

This program is made available through the partnership of the South Shore District School Board and the South Shore Family Resource Association — an initiative funded in part by the Public Health Agency of Canada.
